PROFESSIONAL SUMMARY

Computer Technology senior with hands-on experience in web development, databases, network traffic analysis, cybersecurity documentation, and Windows Server administration. Dependable substitute teacher and youth mentor recognized for communication, organization, adaptability, and problem-solving.

EDUCATION

Bowie State University, Bowie, MD — *Bachelor of Science in Computer Technology*
GPA: 3.931

Expected Dec. 2026

TECHNICAL SKILLS

Languages and Web: HTML, CSS, JavaScript, PHP, SQL | **Tools and Technologies:** MySQL, Wireshark, GitHub, Windows Server 2022, Hyper-V, Active Directory, Group Policy, Microsoft Office | **Core Skills:** Database Design, API Integration, VIN Validation, Network Traffic Analysis, Technical Documentation

TECHNICAL PROJECTS

Used Car Dealership System — *Web and Database Application*

CTEC 393

- Built a PHP and MySQL application for customer, vehicle, and inspection records with VIN validation, prepared statements, database joins, and JSON API output.
- Created responsive pages with HTML, CSS, and JavaScript to add, display, and retrieve dealership information.

Wireshark Packet Inspection — *Network Security Analysis*

CTEC 445

- Captured and analyzed live DNS, HTTP, HTTPS, TCP, and UDP traffic; identified protocol patterns, frequent destinations, and potential security concerns.
- Documented findings with packet evidence, screenshots, display filters, and an executive-level summary.

Windows Server Administration and Hyper-V — *Systems Administration*

CTEC 305

- Deployed Windows Server 2022 and configured Hyper-V, virtual machines, Active Directory tools, departmental file-sharing permissions, and Group Policy settings across a series of hands-on labs.

EXPERIENCE

Prince George's County Public Schools — *Long-Term Substitute Teacher*

Aug. 2026–Present

- Carry out teacher lesson plans and instructional activities while maintaining an organized, respectful classroom.
- Record attendance, monitor student progress and behavior, and follow school safety and reporting procedures.
- Provide clear directions and academic support while communicating with teachers, administrators, and support staff.

Y-Knot Inc. — *Youth Mentor and Volunteer*

2021–Present

- Mentor young people through positive guidance and educational activities; also serve as a guest speaker.

Private Family — *Nanny*

2023–Present

- Provide dependable supervision and support homework, school routines, meals, and educational activities.
